## **AGRO ENERGY FUND NO GUARANTEE DISCLAIMER**

By recommending the client to the Credit Assessment Committee of the Agro Energy Fund (“**AEF**”) of the Land and Agricultural Development Bank of South Africa (“**Land Bank**”) and/or its directors, officers and employees do not warrant or guarantee that the client will obtain support from the AEF Facility.

Land Bank unequivocally records that, despite the client’s intention to obtain support through the AEF Facility, the client will be required to apply for a loan from Land Bank and such loan application will be determined and assessed in terms of Land Bank’s existing lending policies. For the avoidance of any doubt, the assessment of the client’s application for a Land Bank loan will not be afforded any special dispensation as a result of the client’s intention to obtain support from the AEF Facility. Neither Land Bank nor its directors, officers and employees shall be responsible or be liable for any loss or damage (whether direct, indirect, special or consequential) that may result from Land Bank’s participation in the client’s recommendation to the Credit Assessment Committee for consideration to receive support from the AEF Facility. Nor will Land Bank and/or its directors, officers and employees be liable for any loss, damage (whether direct, indirect, special or consequential) and/or expense of any nature whatsoever, that may result from the client’s application for a Land Bank loan even if such loss, damage or expense may be attributable, directly or indirectly, to the approval and/or decline of any loan application by Land Bank.

Any assistance provided by Land Bank to the client in connection with or in respect of the recommendation of the application to the Credit Assessment Committee will be voluntary and shall not entitle the client to any right of recourse whatsoever against Land Bank.
